

**Cancelation Policy**  
**Bailey's Buddies Pet Sitting, LLC**

Cancelation Fees are as follows:

\*Less than 72 hours notice (3 days) : Fee is 100% of booking

\*Credits cannot be given for early returns

\*Failure to pay cancelation fees will result in the suspension of any future pet sitting services

Making appointments requires significant time to schedule, create invoices, and prepare for the appointments. When appointments are canceled, further time is necessary to readjust schedules and other clients. Canceling appointments without sufficient notice incurs lost wages and time spent. This cancelation policy is in place to receive compensation for work performed. Thank you for your understanding!
